

## Guidelines for facilitators

### “5G Skills and Jobs” workshop 5G conference

organised by Digital Skills and Jobs Coalition Luxembourg

6 October 2021, from 2 to 4pm

LuxExpo the Box

As part of the 5G conference from 5 to 7 October, fifty students are invited to join the event. The aim is to give young people the opportunity to learn, reflect and discuss the impact of 5G.

A workshop, organised on 6 October by the Digital Coalition for Skills and Jobs with the support of Digital Luxembourg (14:00-16:00) will allow for an **interactive discussion between students and professionals**. The discussions will be initiated by one or two facilitators per table, so **we need your input!**

The aim is to encourage young people to express their views on 5G, in the context of connectivity, with a focus on the skills and jobs related to 5G development.

The discussions will be organised around small tables on the following themes: Internet of Things (IoT), Smart Cities/Gov, Health, Agriculture, Automotive... Other topics can be suggested by experts and professionals.

#### **Workshop audience:**

- 50 students (2nd, 16/17 years old) from LGK - LAM - LJBM and LGL high schools accompanied by their teachers.

**Languages** : Multilingual workshop (French, English, Luxembourgish)

#### **Workshop schedule**

In this Digital Skills and Jobs Coalition workshop, students will have the opportunity to focus on the impact of 5G technology on the workplace, certain economic sectors and the skills related to this subject.

The maximum number of participants per table is 10/12 to facilitate discussion and to allow everyone to express themselves.
